Sponsorship Opportunities

Give Kids The World Village is a non-profit Village where children with life-threatening illnesses and their families enjoy a week-long, cost-free vacation. The annual 5k Gingerbread Run winds through the whimsical Village, past an Ice Cream Palace, through a fairy tale forest and even by a snoring tree. You will help attract walkers, runners and donors to the Village. Your name and logo will join other notable corporations and organizations that have enjoyed the goodwill and good feelings that come from being a part of the magical Village.
